Dear Adrian

I am writing to thank you for the great trouble which you took in preparing what was certainly the best meal which I have had since I came to Saudi Arabia. It was also a delight meeting yourself, Dermot and the other Irish in Aramco. If ever you are in Riyadh, please contact me at 488 2300 (office) or 488 1862 (home) so we can get together.

The standard of cuisine will not be of the same high order but we will try!

Yours sincerely

Conor Murphy
