Dear Mr. O' HERLIHY :

The inauguration of Saudi Arabian Airlines Catering, Dammam on 28th of November 1999, was a highly successful affair. Despite of an extremely short planning and preparation time, the reception of His Excellency, the Director General, Dr. Khaled A. Ben-Bakr and guests was so organized and well carried.

The fabulous party let alone speaks a work of great mind and highly pro-active individual like you.

Thank you for your ideas and suggestions and I greatly appreciate your active participation during that remarkable occasion.

Very truly yours,

KHALID SULTAN SHESHAH
