This is to certify that Mr. Adrian O'Herlihy was employed by The Drake Swissotel of New York.

During his term of employment, Mr. O'Herlihy proved himself to be a competent and reliable worker. He has always shown himself to be willing to do anything asked of him and was of great assistance to the kitchen and to his peers. He as well had an excellent attendance record of employment.

Mr. O'Herlihy leaves us of his own accord. We wish him continued success with his future career.
