

RUNYON'S

SPORTS RESTAURANT AND PIANO BAR

To Whom It May Concern

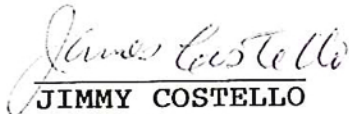

Adrian O'Herlihy has been employed at "Runyon's Restaurant, 932 Second Avenue" and "Jimmy Walkers/Molly Mogs Restaurant, 245 East 55th Street" as Head Chef from October 1986 to September 1988.

During the duration of his employment he has proved to be an exceptional chef. He was particularly strong in sauce and soup preparation.

I regret his departure and would not hesitate to employ Adrian again.

With this reference, goes every wish for a successful future.

Yours Sincerely

JIMMY COSTELLO
PROPRIETOR
